Tavolo rettangolare allungabile Extensible rectangular table

Designed by *Luca Roccadadria*

Milton allungabile

Milton, tavolo in vetro, proposto sia fritto che nella versione allungabile mediante un sofisticato ma semplicissimo meccanismo che movimentata gli allunghi con facilità. La base è formata da due gambi in acciaio piegato a sezione romboidale. Il top è a forma prismatica poligonale.

Milton extendable

The Milton glass table is available in both a fixed and an extendable version, the latter works by means of a sophisticated but very simple mechanism that allows the extensions to slide out with ease. The base is made up of two bent steel stems with a rhomboidal section. The top has a polygonal, prismatic shape.
