

Coffee tables

Atollo

Matteo Zorzenoni has designed a set of small tables with an original shape, characterized by irregular tops and soft shapes. You can use them individually or join them together to create an ever-changing atoll.

LACQUERED OR STONEWARE TOP

Atollo coffee tables have tops resembling irregular ovals. They are made of stoneware or in matt, glossy, concrete-effect or metal lacquer, in a wide color chart, which also includes special micatized proposals, that is, with tiny shiny dots.

METAL BASE

Each version of the Atollo coffee table rests on a cylindrical metal base or a double base, depending on the size of the top.
