AZURE

Swing into your evening with the himolla AZURE armchair

A recliner that makes you feel good: with its flexible headrest, the AZURE recliner does not just offer excellent relaxation; it also promotes back health.

The spinal column is perfectly supported in all sitting positions to allow for long periods of sitting without any strain being placed on your back.

EASYSWING – comfort in every position

In order to be able to provide the greatest possible seating comfort whatever your size and stature, the EASYSWING luxury armchair is available in two different sizes. The adjustable headrest ensures that you can read, watch television or even sleep in comfort by relieving the strain on the neck and promoting the relaxation of the muscles. Five different base plate options ensure an exquisite appearance. Available as a star base in stainless steel, anthracite, bronze.

The AZURE armchair comes with two motors. In addition, the himolla EASYSWING is also available with an external battery.
