CALYPSO

Each minute of leisure time turns into a feel-good moment thanks to the CALYPSO armchair

Lean back, relax, and enjoy the comfort of a cozy chair. Homeliness begins with the fold-out headrest, which offers true regeneration for the neck. To leave the hustle and bustle of everyday life behind, the recliner offers an extendable leg rest. The swivel CALYPSO armchair allows to easily turn the recliner into a TV armchair and to change the perspective.

Comfort recliner electrically or manually controlled

With the two different seat heights, you can enjoy a higher or lower CALYPSO recliner - whichever is most comfortable for you. The optional electric controls for adjusting the back and leg rest provide additional comfort. Adjust the tilt angle of the headrest manually for optimum comfort. An external rechargeable
