

BOOG

[R&S désirée, 2015]

[ITA] Caratteristiche Tecniche

Struttura: in metallo e legno, imbottita in poliuretano con densità differenziata e microfibre di poliestere MIND, rivestita con tessuto protettivo accoppiato.

Molleggio: cinghie elastiche.

Imbottitura sedile: in poliuretano MIND ed Ecopiuma (fiocchi di microfibra in poliestere).

Cuscino bracciolo: in poliuretano con densità differenziata ed Ecopiuma (fiocchi di microfibra in poliestere).

Cuscini schienale: in poliuretano MIND ed Ecopiuma (fiocchi di microfibra in poliestere).

Rivestimento: tessuto e pelle completamente sfoderabile.

Rifiniture optional: cucitura a vista in tono per rivestimento in tessuto.

[FRA] Caractéristiques Techniques

Structure: en métal et bois, garnie de polyuréthane à densité différenciée et microfibres de polyester MIND, revêtue avec un tissu de protection double.

Suspension: sangles élastiques.

Garnissage assise: polyuréthane MIND et Ecopiuma (flocons de microfibre de polyester).

Coussin pour accoudoir: en polyuréthane à densité différenciée et Ecopiuma (flocons de microfibre de polyester).

Coussins de dossier: en polyuréthane MIND et Ecopiuma (flocons de microfibre de polyester).

Revêtement: tissu et cuir, entièrement déhoussable.

Finitions optionnelles: surpiqûres apparentes dans la même tonalité pour le revêtement en tissu.

[ESP] Características Técnicas

Estructura: de metal y madera, acolchada con poliuretano de diferente densidad y microfibras de poliéster MIND, revestida con doble tejido protector.

Suspensión: chinchas elásticas.

Acolchado asiento: en poliuretano MIND y Ecopiuma (microfibras de poliéster).

Cojín brazo: en poliuretano de diferente densidad y Ecopiuma (microfibras de poliéster).

Cojines respaldo: en poliuretano MIND y Ecopiuma (microfibras de poliéster).

Revestimiento: tejido y piel completamente desenfundable.

Acabados opcionales: costuras a la vista a tono para revestimiento de tejido.

[ENG] Technical Features

Structure: in metal and wood, padded with differentiated density polyurethane and MIND polyester microfibres, covered with bonded protective fabric.

Sprung seats: elastic straps.

Seat padding: in MIND polyurethane and Ecopiuma (polyester microfibre flakes).

Armrest cushion: in differentiated density polyurethane and Ecopiuma (polyester microfibre flakes).

Back cushion: in MIND polyurethane and Ecopiuma (polyester microfibre flakes).

Cover: completely removable fabric and leather.

Optional finishings: tone-on-tone decorative stitching for fabric cover.

[DEU] Technische Eigenschaften

Struktur: aus Holz und Metall, mit Polyurethanpolsterung mit differenzierter Dichte und Polyester-Mikrofaser MIND, kaschiert mit passendem Stoff.

Federung: elastische Gurte.

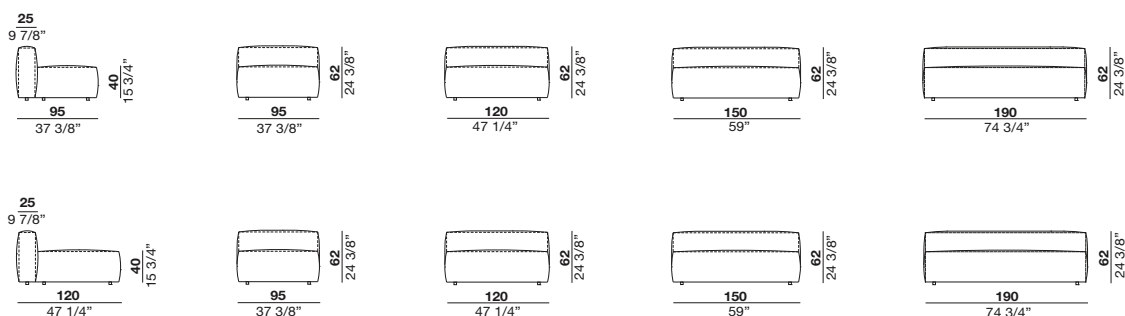

Sitzpolsterung: aus Polyurethan MIND und Ecopiuma (Flocken aus Microfaser Polyester).

Armlehnen-Kissen: aus Polyurethan mit differenzierter Dichte und Ecopiuma (Flocken aus Microfaser Polyester).

Rückenkissen: aus Polyurethan MIND und Ecopiuma (Flocken aus Microfaser Polyester).

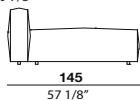

Bezug: aus Stoff und Leder vollständig abziehbar.

Sonderausstattung als Option: farblich abgestimmte Ziernaht für den Stoffbezug.
